

HOLISTIC APPROACH TO INSURANCE

FOR CPAS AND ADVISORS

ABOUT RMC GROUP

RMC Group began as a life insurance agency and actuarial consulting company in Chicago, Illinois, in 1974. RMC Group has evolved into a global leader in risk management, insurance, and employee benefits. With offices across the United States and Caribbean, we provide comprehensive solutions to protect businesses from foreseeable and unexpected risks.

Members of RMC Group include the original life insurance agency and actuarial consulting company, as well as a legal reserve life insurance company, a property and casualty insurance company, a property and casualty insurance agency, a captive insurance company manager, and a technology company.

At RMC Group, our mission is to be a leader in risk management consulting, helping you safeguard your business and employees through tailored solutions. Whether you need to mitigate risks, plan for succession, or enhance employee benefits, we are here to support your success.
